Director: Richard Harris
Newsletter Editor: Stan Winner

Next Board Meeting

February 21, 9A.M., 2009

The Board of Directors meetings are open to all members and perspective members. Many who have attended in the past decide to join on the spot. Many current members who need to complete range qualifications make prior arrangements with Courtney Bolze, Tim Drewry, Cort Tompkins, Andy Romano, John Zupka, Dale Mullin, or Steven Gordon then attend the meeting and complete their range qualifications afterwards. Whatever the reason, the point is, BOD meetings are open to all members. If you are there, why not make a day of it: meeting, range quals or practice, brown bag a lunch at Lake Airfield, return the range for whatever. Name of the Game, Have Fun!

Volume I, Issue 12
February 16, 2009

Skeet Range Notice

If you plan on using the skeet range, it may be a good idea to call Doug (899-4901) prior to going out. Construction continues on the trap range installation.

There are occasions when the construction work will make the range unsafe to use.

GaRAND Affairs

ASC Wakefield Affairs: There has been a reasonable amount of interest in holding another Garand or Service Rifle Match. Plans are tentative as of this printing, however the concept under consideration has been to hold the match in two phases. Phase one would be more of a clinic where knowledge of the M1 and or other service rifles could be shared, protocol of the upcoming match could be reviewed, and rifle “dope” could be established for individual firearm. Phase Two would be the actual match. Hopefully some of these ideas can be worked out at our February Board Meeting.
